

Information for exchange students

Course offer summer semester 2025:

1. Bachelor Health Informatics: 2nd, 4th, 6th semester classes
2. Master Digital Health: 2nd semester classes

Language classes for exchange students:

In addition to faculty courses, all exchange students can participate in German language classes (not compulsory for exchange students).
If you already have some German language skills, you will be placed into the corresponding level, based on the result of an online placement test.
Other language classes: possibility of participation depends on available seats.

Lecture schedules (published by end of February):

Important note:

You can only participate in courses from the study program you are enrolled in (see the following pages).

If you choose subjects from different semesters, please note that this might lead to overlaps in your schedule!

The lecture schedule might change weekly as classes can be offered as a blocked course or during the weekends. Please check the schedule regularly for updates!

All exchange students will do their final course selection during the first week of the summer semester.

Deadline for submission of Learning Agreements: mid March 2025.
