

Information for exchange students: B-IE

Course offer winter semester 2024/25:

Bachelor Industrial Engineering: 1st, 3rd, 5th semester classes

Language classes for exchange students:

In addition to faculty courses, exchange students can participate in German language classes. If you already have some German language skills, you will be placed into the corresponding level, based on the result of an online placement test.

For exchange students who do not have any German language skills, an online intensive course will be offered before the beginning of the semester.

Other language classes: possibility of participation depends on available seats.

Electives:

Exchange students can also participate in elective courses from the Language & Elective Centre. The selection of these classes will be possible right before the semester start via this link:

<https://pmit-ext.th-deg.de/awp/login>

Please be aware that the selection will only be possible during the designated period!

Lecture schedules (published by end of September):

[Faculty schedules](#)

[Language and elective centre](#)

Module handbooks:

<https://www.th-deg.de/en/students/documents#module-handbooks>

Important note:

Exchange students in the study programme B-IE can select classes only from this bachelor programme (see next page). A mixture of courses from different study programmes is not possible!

If you choose subjects from different semesters, please note that this might lead to overlaps in your schedule!

The lecture schedule might change weekly as classes can be offered as a blocked course or during the weekends. Please check the schedule regularly for updates!

All exchange students will do their final course selection during the first week of the winter semester.

Deadline for submission of Learning Agreements: by mid October 2024.

Industrial Engineering (B)				
Winter semester 2024/25				
Sem.	Course	SWS	ECTS	Exam
1	Analytical Principles of Engineering	4	5	Written exam 90 min.
1	Informatics for Engineering I	4	5	Written exam 90 min.
1	Principles in Business and Economics	4	5	Written exam 90 min.
1	Accounting	4	5	Written exam 90 min.
3	Applied Mathematics	4	5	Written exam 90 min.
3	Fundamentals of Electrical Engineering	4	5	portfolio
3	Sustainability	4	5	Written exam 90 min.
3	Intercultural Management	4	5	portfolio
3	Business Law	4	5	Written exam 90 min.
5	Applied Measurement and Control Engineering	4	5	portfolio
5	Process Safety	4	5	Written exam 90 min.
5	Plant Engineering	4	5	Written exam 90 min.
5	Management	4	5	portfolio
5	Renewable Energies	4	5	Written exam 90 min.
