## Prerequisites and deadlines for Master's thesis

#### § 11 General Examination Regulations of the Deggendorf Institute of Technology

Par. 2: In Master's degree courses, the framework for the deadline for the Master's thesis is determined by the relevant study and examination regulations. It shall be not exceed six months.

#### § 10 Framework Examination Regulations

Par. 2: If the Bachelor's or Master's thesis has been graded "nicht bestanden / failed", it can be repeated once with a new topic. The deadline for the submission of the Bachelor's or Master's thesis to be repeated begins at the latest six months after the announcement of the first rating.

#### § 9 Study and Examination Regulations (15.03.2021)

Par. 2: The period form choosing a topic to submission must be appropriate to the scope of the topic and is six moth. Upon request, this period can be extended for good cause in special cases be the examination board.

Par. 3: The Master's thesis can be written in German or English.

Par. 4: Registration for the Master's thesis requires that at least 50 ECTS-points have been obtained

#### Addition to the Study and Examination Regulations

The examination board of the Faculty European Campus Rottal-Inn has decided not to further restrict the time limit of the General Examination Regulations from the issue to the submission of the Master's thesis. Applications for an extension of the deadline for processing or for the return of the subject matter must be submitted to the examination commission in writing, stating reasons at least two weeks before the deadline (§ 11 Par. 4 No. 4 APO). Only those can be claimed as reasons which are not represented by the student and which are either founded in the person of the student or represented by the university.

The Chairman of the examination board

Prof. Dr. Marcus Herntrei
